3. IR-103-53 from Air Attache, Guatemala City, dated/September 1953.

"Colonel Carlos A. SARTI, Deputy Chief of GUATEMALAN Air Force, was today appointed Manager of AVIATECA, the Guatemalan government-owned airline, vice Colonel Ricardo RODRIGUEZ P., former Manager, relieved.

COMMENTS OF PREPARING OFFICER: Colonel RODRIGUEZ took over the management of AVIATECA when the airline was several hundred thousand dollars in the red. Through sound management and business procedures he put AVIATECA on a paying basis. In doing so, he naturally stepped on the toes of his subordinates, discharging those who were completely "dead wood" and requiring the remainder to produce effectively. He ran into much difficulty with the labor unions in his efforts and was subject to much editorial and public criticism. Although no reason is given for his replacement, it is possible recurrent labor troubles formed the basis for his dismissal."
